

# Become a Sponsor!

You are invited to sponsor an evening of lively discussion on how our community builds community wealth.

This is our seventh annual **CONNECT Event** – an evening for entrepreneurial and community-minded residents to network and share ideas. We will also recognize the Hannah Grimes Center Entrepreneur of the Year, an individual who exemplifies the mission and vision of Hannah Grimes – to inspire business and the community to innovate, connect and thrive.

**October 24, 2012**

**5:00—8:00 p.m.**

**Alyson's Orchard in Walpole, NH**

## ***This Year's Event Theme:*** **Community Wealth Builders**

How do business, nonprofits and individuals improve the overall health and well-being of our community?

Learn from area community builders how a strong network of locally-owned businesses can contribute to a healthy, vibrant community and a thriving regional economy.

Our mission, to inspire local businesses and the community to innovate, connect and thrive, is rooted in the vision that the success of either is inextricably linked to the success of both.
