Your Help Means the World to Us!

The Hannah Grimes Center provides resources and support to assist in the successful development of entrepreneurs and community builders throughout the Monadnock region. We work toward a broader vision of a sustainable, thriving local economy and vibrant community built upon the region's heritage, culture, natural resources, and the civic-minded entrepreneurial spirit of its people.

Hannah Grimes offers a wide range of business development programs, business incubation space, coaching, workshops, and events.

We also operate the Hannah Grimes Marketplace, a dynamic retail store that provides a market, resources and support to over 270 local producers and growers.

And we provide organizational development programs and supportive small-space offices for nonprofit organizations.

Support our work to build small businesses, create jobs, and strengthen the economy and community in the Monadnock Region. Your underwriting helps us achieve our mission and our track record of success while you effectively reach an influential and engaged local audience.

Thanks very much for your support!
